Date .....April 12, 2011  
Location .....Ada County Highway District  
Purpose .....Lunch Meeting  
Attendance .....to be determined

**YEAR IN SUMMARY**

Our 2010-2011 year has been fantastic. We started off the year welcoming in new officers. Phil Rust with the Ada County Highway District took over as President, Leah Kelsey with Six Mile Engineering moved up to Vice President, and Dan Thompson with Thompson Engineers was elected Secretary/Treasurer.

We continued the tradition of monthly luncheons which features transportation-related topics presented by leading transportation experts from Idaho and around the United States. We also offered several ITE webinars to our members which were sponsored by the Ada County Highway District.

To kick off the new 2010-2011 year, the Chapter held its 3<sup>rd</sup> Annual Statewide Conference in September at the beautiful Spurwing Golf Club in Meridian, Idaho. It was well attended and featured speakers and vendors from Idaho, Utah and California (Thanks Zaki!) as well as vendors from throughout the West. Five students from the University of Idaho made the long six hour drive down to attend for free. Following the conference, the golf club was gracious enough to let our group play 18 holes on their awesome course for the 2<sup>nd</sup> Annual Idaho ITE Golf Scramble. Over 20 sponsors contributed to the event and the Chapter raised over \$1,600 for the student scholarship fund which sponsors university student's attendance at the annual ITE Intermountain Section Conference in Jackson, Wyoming. Many thanks to Jim Larsen with the Ada County Highway District who served as the golf scramble chair.

As we look ahead in to 2011 and 2012, the Chapter plans to explore other opportunities for professional development such as webinars and special presentations. In addition, the officers have been considering hosting an evening meet-and-greet to promote networking and to also have a little fun... imagine that!
