

STUDENT CHAPTER ANNUAL REPORT AWARD GUIDELINES

A. Purpose

The purpose of the Student Chapter Annual Report Award is to encourage ITE Student Chapters to:

1. Achieve the objectives set forth by the Student Chapter Charter: “to promote the advancement of the transportation and traffic engineering profession by fostering the close association of students with the transportation and traffic engineering profession and the Institute; to acquaint Chapter Members with topics of interest in transportation and traffic engineering through the medium of addresses by competent speakers, and of Chapter sponsored trips; to foster the development of professional spirit; to promote common interests among Chapter Members; to encourage the expansion of facilities for transportation and traffic engineering study,” and
2. To provide a means for the Institute to recognize outstanding accomplishments in such activities.

B. Eligibility

The Student Chapter must hold a current charter from ITE to be eligible for the Western District and International Student Chapter Awards.

C. Awards

1. All Student Chapters that submit an annual report will receive \$100. The Student Chapter that submits the Student Chapter Annual Report selected as the most outstanding will receive a plaque and a \$1000 award. Up to two additional Student Chapters may receive a certificate for honorable mention.
2. The outstanding Student Chapter and honorable mention awards may be presented each year at the ITE Western District Annual Meeting, or other suitable meeting of the Institute, to the members of the Student Chapters duly entered in this competition and determined worthy of the award by a committee of judges appointed by the Student Initiatives Chair.
3. Highlights of the winning Chapter’s activities may be published in one or more appropriate publications of the Institute. In addition, the winning Chapter’s president or designated Chapter representative may be invited to present a summary of the Student Chapter activities at the ITE Western District Annual Meeting. The most outstanding Annual Report will be forwarded to International Headquarters for participation in the ITE International Student Chapter Annual Report competition.

4. The designated Faculty Advisor for each Student Chapter that submits a Student Chapter Annual Report will receive a \$150 voucher to be applied to the Faculty Advisor's annual membership dues for the Institute of Transportation Engineers and Western District dues will be waived.

D. Submission

1. The application for the Student Chapter Award will consist of the Student Chapter Annual Report form and supplementary information. The Student Chapter Annual Report form can be downloaded from the ITE Western District web page under Students and Education at www.westernite.org. The Annual Report and supporting document(s) should be prepared to cover all of the evaluation criteria listed in Section F.
2. Student Chapters shall submit an electronic copy of their Annual Report to the ITE Western District Student Initiatives Chair. Each District within ITE International, including the Western District, will select an outstanding Student Chapter Annual Report for entry in the International competition. Individual sections may hold separate Student Chapter Annual Report competitions; however, only a single entry from each District will be accepted at the International level.
3. Universities and colleges within the Western District shall send their Student Chapter Annual Reports directly to the Western District Student Initiatives Chair. Mailing information for the current Student Initiatives Chair can be obtained on the Western District web page under Students and Education at www.westernite.org.

E. Deadlines

The Student Chapter Annual Report Award should be based on the academic year extending from the previous April 1st through the current March 31st. Entries should be submitted to the ITE Western District Student Initiatives Chair no later than April 1st. The District will then forward the District's most outstanding Student Chapter Report to International Headquarters by May 1st. The ITE Transportation Education Council's award committee will select the overall winner and notify ITE Headquarters by June 1st.

F. Evaluation Criteria

The following evaluation criteria will be used to judge the Student Chapters:

1. Chapter Organization (15 percent)
