2019 ITE WESTERN DISTRICT ANNUAL MEETING

Harbouring the Future of Transportation
Welcome to Monterey, California

The Local Arrangements Committee is pleased to welcome you and your families to Monterey, CA! A joint effort between the San Francisco Bay Area and Central Coast Sections, this conference is the first time an ITE Western District Annual Meeting has been hosted in this beautiful city.

With a focus on "Harbouring the Future of Transportation," the 2019 ITE Western District Annual Meeting has a robust and diverse technical program, a variety of exciting technical tours, an extensive group of vendors in the Exhibit Hall, and engaging presentations from Keynote Speaker Therese W. McMillan and Kickoff Luncheon Speaker Stanley Roberts. We hope you have a memorable conference making fish friends during Family Night at the world-famous Monterey Bay Aquarium, and we cannot wait to party hardy with you at an Awards Banquet straight from (or back to) the 80s. Show up Pretty in Pink and be Footloose while having the Time of Your Life... What a Feeling!

Outside of the meeting, we hope you will find some time to see all that Monterey has to offer, including Cannery Row, Fisherman’s Wharf, and Old Town Monterey. Be sure to show your conference badges at participating restaurants and merchants for discounts and promotions as part of the Monterey County Convention and Visitors Bureau’s “Flash Your Badge” program. Check out the Monterey Information Table at the Registration desk or the Monterey County CVB’s website to maximize your time in Monterey.

If you have any questions or needs with which we can assist you, please do not hesitate to ask any LAC representative or stop by the Registration desk.

Be sure to use #ite2019monterey on your Facebook, Twitter, and Instagram throughout the Annual Meeting. Enjoy your time in Monterey!

Kimberly Leung and Justin Link
2019 LAC Co-Chairs

#ite2019monterey
Welcome Western District to our 2019 Annual Meeting!

On behalf of the District Board and the 2019 Local Arrangements Committee, we are so happy you’re all here in Monterey. I’d like to thank the 2019 LAC and the District LAC Committee for all their hard work in planning and now executing this meeting. There is a lot to look forward to with the technical program, tours, and the social activities. Our Family Night is at the famous Monterey Bay Aquarium, and I know many of us are looking forward to the event. I’d like to add to the fun of the Family Night event and encourage everyone to meet with our incredible Lifetime Achievement Award winners, so find a LAA winner at the Family Night event and take a selfie with them. The first person to show me the photo gets a fun prize. If you want to know which LAA winners are in attendance, check the Annual Meeting website under “Participants”: www.westernite.org/annualmeeting/participants.

I hope you also have a chance to meet your Western District Board members during this meeting. If you don’t know who they are, you can use this as your cheat sheet.

Guest Speaker

Born and raised in Monterey, Dan Albert Jr. held various positions over the course of his 31-year career in education. He was a teacher, coach, and activities director before becoming a district administrator. In June 2016, he retired as the Associate Superintendent of Business Services with the Monterey Peninsula Unified School District. In November 2016, Mr. Albert was elected Vice Mayor of Monterey.

Vice Mayor Albert’s leadership approach is to be collaborative, equitable, strategic, and accountable. He strives to build consensus around common goals and to employ strategies that produce tangible and measurable results. As a life-long resident and family man, Vice Mayor Albert is passionate about preserving the unique character of Monterey and protecting the quality of life for residents and visitors.
Therese Watkins McMillan’s recent return to the MTC in March 2019 was a homecoming of sorts, having worked on staff at the MTC for 25 years, eight of which as MTC’s Deputy Executive Director for Policy. In 2009, she was appointed by President Obama to serve as Deputy Administrator of the Federal Transit Administration, and later as Acting Administrator from March 2014 to March 2016. She made her way to Southern California in April 2016, serving as Chief Planning Officer for the Los Angeles County Metropolitan Transportation Authority (LA Metro) until February of this year.

During the final five years of her original tenure at the MTC, Ms. McMillan was an instructor of transportation funding and finance in the Transportation Management Graduate program at San Jose State University’s Mineta Transportation Institute. Ms. McMillan has served since 2012 as a member of the Advisory Board for the UCLA Lewis Center for Regional Policy Studies and was named a senior fellow for the 2011-12 academic year at the UCLA Luskin School of Public Affairs. She received an Alumni Award of Distinction from the UC Davis College of Agriculture and Environmental Studies in 2016; a Women Moving the Nation award from the Conference of Minority Transportation Officials in 2013; and a Distinguished Alumna Award from the UC Berkeley College of Environmental Design in 2011. Ms. McMillan has long been active in the Women’s Transportation Seminar (WTS) and served as president of the San Francisco Chapter in 1989 and 1990. She was named WTS National Woman of the Year in 2016, and Woman of the Year for the Washington, D.C. Chapter in 2015 and the Los Angeles Chapter in 2011. WTS’ San Francisco Bay Area Chapter named Ms. McMillan as its Member of the Year for 2002 and as its Woman of the Year for 2010.

Ms. McMillan received a bachelor of science degree from UC Davis in 1981, a master’s degree in Civil Engineering Science from UC Berkeley in 1983, and a master’s degree in City and Regional Planning from UC Berkeley in 1984.
Kickoff Luncheon

Monday, June 24th | 11:30AM - 1PM | Monterey Ballroom

Agenda

Call to Order .............................................................. Kimberly Leung and Justin Link, Co-Chairs
Recognition of LAC Committee Chairs .................. Neelam Dorman, ITE Western District President
Introduction of Western District Board Members .... Neelam Dorman, ITE Western District President
Recognition of LeadershipITE Class of 2019 and Leadership Classes of 2014-2018 .................. Neelam Dorman, ITE Western District President
Messages from ITE International ...................... Jeff Paniati, ITE International Executive Director Bruce Belmore, ITE International President
Kickoff Luncheon Speaker Introduction ........ Justin Link, Co-Chair
Kickoff Luncheon Speaker.............................. Stanley Roberts, AZFamily Broadcast Journalist
Close Kickoff Luncheon........................................ Kimberly Leung, Co-Chair
Stanley Roberts
Broadcast Journalist, AZFamily

Stanley Roberts is a multi award-winning broadcast journalist, famous for his TV news segments “People Behaving Badly” and “Caught Misbehaving,” wherein he would expose “individuals who brazenly defy the law or common courtesy, risking social and/or legal consequences.”

Born in Philadelphia, raised in Camden, New Jersey, and a resident of the Salinas River Valley between 1984 and 1990, Mr. Roberts was instrumental in the founding of local Monterey/Salinas TV station KCBA Fox 35 News. He found his way to Los Angeles in 1990 as a broadcast journalist for stations KABC, KCBS, and KTTV, as well as the syndicated show “LAPD – Life on the Beat.” While in L.A., Mr. Roberts covered many high-profile events, including the O.J. Simpson and Rodney King trials, the 1992 Los Angeles Riots, and the Northridge Earthquake. He made it to the Bay Area in 1998, launching the segment “People Behaving Badly” on station KRON. After 20 years with KRON, Mr. Roberts moved to Phoenix, where he currently hosts “Caught Misbehaving” on AZFamily stations KPHO and KTVK.

Mr. Roberts has several Emmy Nominations and has won four Golden Mike Press Television-Radio Association Awards. He has also received multiple letters of recognition from the United States Congress, the State of California Senate, and many other government agencies.
SOLVE COMPLEX TRAFFIC DESIGN CHALLENGES

Things to See and Do in Monterey

Cannery Row
Made famous by the Steinbeck novel from which it was renamed in 1958, Cannery Row was the center of Monterey’s historic sardine processing and canning industry. Today, Cannery Row is home to shops, hotels, restaurants, and museums.

Monterey Zoo
Get up close and personal with wild, exotic animals from around the world in a beautiful natural setting for an unforgettable family adventure!

Steinbeck Center
The only museum in the country dedicated to a single author, the National Steinbeck Center in Salinas, CA documents the life and literary works of legendary author John Steinbeck. Steinbeck spent his formative years in Monterey and Salinas and set his novels in the same locale.

Monterey Bay
Take a stroll on Old Fisherman’s Wharf to enjoy the panoramic views of the Monterey Bay, or if you and your family are feeling adventurous, join a whale watching tour or a guided kayak trip on the bay!

Monterey Bay Aquarium
Located at the ocean’s edge, the Monterey Bay Aquarium is a window to marine life — for dive masters and non-swimmers alike. It is home to sea otters, penguins, sharks, jellies, and thousands of other marine animals and plants. Its mission is to inspire conservation of the oceans.

Museums
Once the Capital of California during Mexican rule, Monterey is rich in history and home to many museums that preserve it. With museums dedicated to topics like Monterey history and art (and even motorcycles!), there is surely a museum in town that will pique anyone’s interest!

Looking for more things to see and do?
Visit the Monterey County Convention & Visitors Bureau:

**Things to See and Do in Monterey**

**Historical Attractions**
While Monterey is known for its scenic views, Monterey is also rich in history and contains many historical attractions. San Carlos Cathedral (The Royal Presidio Chapel), the Custom House, and Point Pinos Lighthouse are just a few historical sites to explore while visiting Monterey.

![Point Pinos Lighthouse](image1)

**Dennis the Menace Playground**
Created in 1956, the Dennis the Menace Playground continues to delight visitors today. The playground contains large slides, tunnels, a hedge maze, climbing walls, and more. Both children and adults can also marvel at the 1924 Southern Pacific steam locomotive on display in the park.

www.trafficware.com
Technical Workshop 1: Intro to Networking for ITS
Sunday, June 23 | 1PM - 5PM | Cypress
Attendees can expect to learn how network communications are applied to ITS applications from engineers with experience deploying both IT and ITS networks. While you will not be an IT expert at the end of this workshop, you will get to know the important considerations for installing new networks and upgrading existing networks, while keeping in mind the unique nature of ITS applications.

Technical Tour 1: 17-Mile Drive Bicycle Tour
Sunday, June 23 | 12PM - 5PM
Originally conceived by the Big Four Railroad barons as a scenic drive to the Del Monte Hotel in Monterey, 17-Mile Drive now plays host to million-dollar estates and picturesque golf links. Portions of the route are gated and require an entrance fee unless you live within the Pebble Beach community or you happen to be on a bike.

Bike ride from the Hyatt Hotel to the Monterey Bay Sanctuary Scenic Trail. Ride on the abandoned Union Pacific rail right-of-way, past the Monterey Harbor, Fisherman’s Wharf, and the Historic Custom House to Cannery Row, the Monterey Bay Aquarium, and Hopkins Marine Station. Continue along the coast and watch sea otters play in the kelp. Ride into Pebble Beach along 17-Mile Drive, past golf courses and waves crashing on the beach.

Technical Tour 2: Complete Streets of Monterey Tour
Monday, June 24 | 7:30AM - 11:30AM
For years, the car has dominated the curb-to-curb landscape. With a new focus on safety and multimodalism, jurisdictions are now moving towards new roadway designs with the conversion of Class II bike lanes to Class IV separated bikeways, wider sidewalks, and new transit routes. Thus, the “Complete” Street was born.

Travel by bike from the Hyatt Hotel into Historic Downtown Monterey, through Custom House Plaza, to Fisherman’s Wharf. Ride along the Monterey Bay Sanctuary Scenic Trail to Cannery Row, the Monterey Bay Aquarium, and Lovers’ Point. Enjoy the amazing sea life along the Monterey Bay. Ride back to the Hyatt Hotel and share selfies with sea otters.
Technical Tour 3: Roundabouts: The Monterey Experience
Monday, June 24 | 1PM – 5PM

While modern roundabouts may be a common sight in the majority of the Western District, this intersection treatment is still catching on in California. With limited right-of-way, myriad utilities at existing intersections, and costly land acquisition where it is available, designers must be creative when designing and constructing roundabouts.

Travel by bus to the highly successful double roundabout that replaced a congested traffic signal at the intersection of the Highway 1 Southbound Ramps / Holman Highway 68 and the Pebble Beach Main Gate. Walk corner to corner and learn how this $10.7 million roundabout that is located at the junction of four separate jurisdictions was designed and constructed on-time and on-budget. Learn about the intensive education and outreach program that turned opposition into approval for the first highway roundabout built on the Central Coast.

Technical Tour 4: North Fremont Street Cycle Track
Tuesday, June 25 | 7:30AM - 11:30AM

What do you get when you combine electric bikes and a median cycle track? More fun than adults are allowed to have!

Travel to North Fremont Street and experience the recently completed two-way median cycle tracks. Interact with the designers and gain an understanding of the signal operations and safety considerations of median cycle tracks.

Technical Tour 5: Monterey-Salinas Transit BRT
Tuesday, June 25 | 1PM - 5PM

How do you decrease travel times by as much as 25 minutes on a seven mile route? With Bus Rapid Transit (BRT), of course! The culmination of efforts by transit engineers and planners from Sand City, Seaside, and Monterey, the Monterey-Salinas Transit (MST) JAZZ BRT employs Transit Signal Priority (TSP), queue jump lanes, and increased stop spacing to significantly reduce travel times on non-exclusive right-of-way. Further, a partnership with the Monterey Jazz Festival provides an entertaining and educational history of jazz in the Monterey Bay Area with 30 custom-designed bus shelters along the route.

Travel by bus along the successful BRT lines throughout the Monterey Bay and tour the Monterey-Salinas Transit facility. Experience a queue jump at an on-ramp, bus priority signals on a congested corridor, and JAZZ Line BRT musical bus stops.
“Not Like the Otters” MiteY Race
Saturday, June 22 | 3PM – 5PM
The MiteY Race is modeled after the hit television series “The Amazing Race” where teams follow clues and complete challenging but fun tasks to race for first place! Separate registration required, with all registration fees supporting the Richard T. Romer Student Endowment Fund.

James H. Kell Student Design Competition
Sunday, June 23 | 12PM – 5PM | Windjammer
All students are invited to participate in this mystery design challenge created by your peers! Students will compete in a team design challenge for prize money. Teams will be formed on the day of the challenge and consist of students from different student chapters.

Get Acquainted Social Fundraiser for the Student Endowment Fund
Sunday, June 23 | 5PM – 7:30PM | Regency Grand Ballroom
Meet and mingle with both professionals and other students from the Western District. Volunteer to help run our fun bucket toss activity to raise money for the Richard T. Romer Student Endowment Fund.

Student Leadership Forum
Monday, June 24 | 1PM – 2:30PM | Oak Tree
All students, student chapter leaders, and faculty advisors are invited to join a discussion on best practices for student chapters, facilitated by ITE’s International Transportation Education Council Chair, Grant Schultz. Topics will include chapter activities, fundraising, and recruitment efforts. Come share your own ideas or learn what other chapters are doing in the Western District – together we can help each other be the best chapters in ITE!

Student Traffic Bowl
Monday, June 24 | 2:30PM - 5PM | Windjammer
The ITE Collegiate Traffic Bowl is an annual competition between ITE student chapter teams using transportation planning and engineering topics for the clues, questions, and answers. The winning team will go on to compete at the Collegiate Traffic Bowl Grand Championship at the ITE International Meeting. Teams are required to attend the Pre-Quals on Monday at 10AM in Windjammer.

Student Resume Workshop (5D)
Tuesday, June 25 | 8AM - 9:30 AM | Oak Tree
Bring your resume to be professionally reviewed.

Young Professional’s Career Survival Guide (6D)
Tuesday, June 25 | 10AM – 11:30AM | Oak Tree
Learn how to deal with some of the challenges of being a young professional in today’s workplace from experienced transportation professionals.

Speed Interviews for Students and Young Professionals (7D)
Tuesday, June 25 | 1:30PM - 3PM | Oak Tree
Come and practice your interview skills at our Speed Interview event. Attendees will have three minutes to dazzle our volunteer professionals with their answers to challenging interview questions.

Student Chapter Annual Meeting Award
Wednesday, June 26 | 12PM- 1:30PM | Regency Grand Ballroom
An Annual Meeting Award will be presented at the Western States Luncheon to the student chapter with the highest participation and performance. Points will be awarded for general attendance, participation in student events, and volunteering throughout the conference. Points do not rely solely on which chapter has the most attendees!

No advance registration needed for student activities unless noted.
Western District Briefing
Tuesday, June 25 | 7AM - 8AM | Windjammer

The Western District is hosting a briefing event to inform the remaining Western District Section leadership of the District transition process. The briefing will present updates on the transition process as well as the changes to District operations and policies. Interested members are also welcome to attend.
Social Events

Get Acquainted Social
Sunday, June 23 | 5PM - 7:30PM | Regency Grand Ballroom
Join us for a welcome reception in the Exhibit Hall to get to know many of the ITE leaders and to reconnect with old friends. This event will include a cash bar and complimentary appetizers.

Family Night: Make a Fish Friend at the Monterey Bay Aquarium
Monday, June 24 | 7PM - 10:30PM
Join us at the world-renowned Monterey Bay Aquarium for dinner and all it has to offer! Attendees will have exclusive use of the Ocean’s Edge exhibit. See the awe-inspiring Kelp Forest, or step outside for breathtaking views of Monterey Bay from the Great Tide Pool deck. Free shuttles between the hotel and the Aquarium will be provided.

80’s Themed Awards Night: “Totally 80s”
Tuesday, June 25 | 6PM - 7PM Social Hour & 7PM - 11PM Banquet | Monterey Ballroom
Join us as ITE celebrates the many accomplishments of our members, sections, and chapters. The best and brightest will be recognized for their contributions and achievements in the Western District. Join the fun in your 80’s themed attire for a night of fun, shoulder pads, and great hair! Child care will be available on-site during this event.

Shuttle Information for Family Night
Shuttles will begin leaving the hotel at 6:30PM from the Regency Conference Center’s south entrance. Last shuttle departs at 7PM.

Shuttles returning to the hotel will depart from the Aquarium Circle every 15 minutes or when the buses are full, with the last bus leaving the Aquarium at 10:15PM.
