

Western District Legislative Committee Strategic Plan

Committee Name: ITE Western District Legislative Committee

ITE Western District Legislative Committee Mission Statement

The ITE Western District Legislative Committee seeks to share newsworthy information concerning transportation related state legislation and regulations of interest to the ITE Western District membership.

Long-term Strategic Goals (5+ years)

1. Be the primary source of up to date state legislative information for the members of the Western District
2. Provide leadership to Board appointed legislative task forces that focus on individual legislative or regulatory issues
3. Provide legislative assistance to Western District Sections and Chapters

Short-term Objectives (6 months – 3 years)

1. Work with the Western District Board and Western District Section and Chapter representatives to develop a stronger network of legislative monitoring and reporting at the state level
2. Encourage ITE Western District members to identify state legislation of interest and submit their own transportation related legislative news.
3. Create a set of Board adopted procedures for stronger collaboration with the Western District Board members on identifying legislative activity that needs to be addressed through task forces and/or board legislative positions.
4. Seek ways of automating the identification and monitoring of legislative activities by utilizing technology and web/software applications and services.

Actions (Ongoing)

1. Work with local Section representatives to identify and track legislative activity in the western states by monitoring various web based transportation news sites, state legislative related websites, social media outlets, transportation industry professional groups websites, transportation news email services, and other media sources.
2. Update the WesternITE website legislative information a minimum of once per month
3. Write bi-annual Legislative update articles, summarizing legislative news related to state legislation or regulations.
4. Submit each Legislative update article by email to the WesternITE Editor for review and further editing if necessary.
