The resulting travel budget of $4,000 would be to support travel by all 13 chairs to the Mid-Year and Annual Board meetings.

MOTION: Walter Okitsu, 2nd Dongho Chang to approve the revisions to the Travel Reimbursement Policy with the deletion of the proposed addition regarding WesternITE Advertising Manager reimbursement for attendance at a vendor show. Motion passed.

With the assistance of Colleen Agan, she provided the District’s guidance to the Sections and Chapters with regards to these two issues. She asked that all Sections and Chapters comply with ITE International’s request for them to file taxes in 2017 and provided detailed FAQs regarding how to do this. In addition, she indicated that the District will be requiring that all Sections and Chapters include whether they filed taxes in their Annual Activities Report. Finally, she let them know that ITE International would most likely be pursuing tax exempt status for all of the Sections and Chapters in 2018. Tuesday’s Leadership breakfast will be a focused conversation on this issue.

A. **Awards:** Vice President, Mark Spencer, reported that all awards, certificates, and plaques have been ordered and prepared.

ITE membership renewal is at 84% with goal of 90%. HQ is on target for meeting membership budget numbers for the year.

B. **Middle International Director Alyssa Rodriguez** reported that Nashville was the first meeting where she felt difference is being made. She noted HQ was transparent and going in the right direction. She said the dues structure is complicated and should be tackled so that there is some consistency in District and HQ dues.

A. **ITE International President Paula Flores** discussed the results of the membership survey. She noted that the Strategic Initiatives Committee is digging into the survey data and that they will provide recommendations to the Board on strategic direction and planning for the future. This includes governance model, branding (80% of respondents said no change is needed in name or logo), professional development, and collaboration with other organizations (e.g. NACTO). She indicated that Vision Zero task force is being formed. The task force will be taking a proactive approach with Vision Zero Network to develop a safety tool box. She noted that ITE Application Supplement to the NACTO Transit Street Design Guide is being developed relatively quickly for the International meeting. She noted that John Kennedy is looking at the future revamping of the trip generation manual as it has been developed the same way for the past 80 years.

B. **Candidate for ITE International Vice President Michael Sanderson** indicated it has been a pleasure to travel and meet members across the US. Travel this year has been about half of what is taken in a normal election campaign. Michael noted that there is rethinking on how elections are held in ITE, which is expensive and disruptive. Michael noted the influence that Western District is having at other Districts, such as discussion on Endowment Fund and Student Leadership Summit. He also noted that we can learn from others. He noted the Canadian District with their web site and budgeting. Their meeting had progressive content with Vision Zero, multimodal/active transportation, and roundtable discussions. Michael thanked Hibbett Neel and John Kennedy for their work during the ITE HQ transition. Michael

**ACTION:** Alyssa Rodriguez will talk with International and track down status of the Van Wagoner endowment.
