

OUTSTANDING SECTION/CHAPTER AWARD

Purpose

The Section/Chapter Award was initiated in 1992 and formerly called the "Section Activities Award." It is designed to encourage ITE Sections and Chapters to participate in activities that are aligned with the purpose and objectives of ITE. The award will be judged on the elements listed below:

Eligibility

To qualify for the award, a Section or Chapter must submit a report using the format and submission process shown on this page. The page limit for the report is five pages of text and one page of photos.

In order to receive as many submissions as possible, ITE emphasizes that reports will be assessed on the described activities only. Sections and Chapters should not be putting an excessive amount of time into the preparation of the report and its formatting. This also makes judging of the submissions an easier task.

Submission/Selection Process

All entries must be submitted digitally as a PDF to the District Award Coordinator ([Page 8](#)) by **March 1**. Each District will then select one winning Section or Chapter for entry in the International competition via <https://ite-awards.secure-platform.com/a/> by **April 1**. These deadlines allow judging to be complete in time for the award winner to be announced at the ITE Annual Meeting and Exhibit Awards Lunch.

Award

The Section or Chapter winning the award will be recognized at the Joint ITE International and Southern District Annual Meeting and Exposition Awards Luncheon and in *ITE Journal*.

Submittal Format

Submittals shall follow the format as described in the next section and not exceed five pages in length (for text) and one additional page of photographs. Where the response is "yes," please provide a short description of the activity or activities.
