

**Institute of Transportation Engineers  
Western District  
Student Regional Travel Scholarship**

**Background**

The Western District Student Endowment Fund supports over \$12,000 in Student Initiatives annually. In Spring 2017, the Western District introduced its newest Student Initiative, an annual Student Regional Travel Scholarship for students to attend the District's Annual Meeting. The Western District aims to achieve more regional diversity in the students attending our meetings by providing travel assistance to students who may not otherwise attend.

**Purpose**

The purpose of the regional travel scholarships is to provide financial support for up to two (2) students to attend the upcoming ITE Western District Annual Meeting. The District will select one student from each region (Region 1 and Region 2), and the recipient from each region will receive a \$500 travel scholarship.

**Eligibility**

- Applicants must be a student member of ITE during the current school year.
- Applicants must be enrolled in a curriculum relevant to ITE.
- The recipients must attend the upcoming ITE Western District Annual Meeting.
- This travel scholarship is a one-time award (previous recipients are not eligible).

**Submittal Procedure**

- Complete Application Form.
- Submit an essay (one page maximum) on *Why I Should Be Selected for the ITE Western District Regional Travel Scholarship*.
- Attach a resume detailing involvement with ITE (only include ITE-related activities).
- Send submissions electronically as one file in PDF format.

**Selection Process**

- Recipients will be notified after May 15.
- Recipients will be asked to submit a post-meeting one-page write-up about their experience at the ITE Western District Annual Meeting. This article is due no later than July 15 and will be posted on the Western ITE website as an Endowment Fund Spotlight.
- Recipients will be mailed their award checks upon receipt of the post-meeting write-up.

Please return applications by e-mail  
**NO LATER THAN 5 PM PST ON APRIL 15<sup>TH</sup>** to:
